

# My Outstanding Sister

I admire my sister, Syaza, because she is very entertaining. She tries to console me every time I'm very sad. When my mother scolds me, my sister would make me happier than ever by giving me things for me to look forward to.

She makes time for me no matter how busy she is and she sometimes brings me to watch newly released movies.

She was the one who convinced me to eat vegetables that are healthy and delicious. She is also a kind and generous mother to my nephew.

I admire my sister's determination because during the fasting month when she was pregnant, she only missed one day of fasting.

Here's an acrostic poem I wrote for her:

**"Sister, let's go play"**  
**"Yes Haney, I'm coming soon!"**  
**Always** trying to entertain me,  
**Zany** and **Zestful** is she.  
**Always** loving towards my nephew.
